Coordinated Homeless Outreach Center

[illegible] [1] [illegible] Southeastern PA

MHASPâ€?s Coordinated Homeless Outreach Center (CHOC) serves homeless adults living throughout Montgomery County. On-site services include showers, laundry, phone access, transportation, and mail services. Additionally, case workers will assist individuals in obtaining benefits and medical assistance, applying for housing, connecting with education and job services, obtaining identification, and locating immediate shelter and supportive housing throughout the county. The CHOC will partner closely with MHASPâ€?s One Night At a Time (ONAT) shelter program, Central Montgomery MH/MR Center, and Montgomery Countyâ€?s Office of MH/MR/D&A/Behavioral Health to encourage and assist individuals with ending their homelessness by finding suitable and affordable housing and by encouraging meaningful activity that will promote health, increase skills, and provide opportunities for self-sufficiency. The CHOC is not a walk-in center. All referrals should be made by phone so transportation can be arranged.

DAYTIME DROP-IN CENTERS C Housing
